We try to identify ingredients that may cause allergic reactions for those with food allergies. Our food preparation staff is trained in the severity of food allergies. We label items with possible allergen-containing ingredients; however, there is always a risk of contamination. There is also a possibility that manufacture of the zentronial foods we use could change the formulation at any time. Without notice. Customers concerned with food allergies should be aware of this risk. Please be aware that our factory processes foods and use ingredients in our products that contain nuts, milk, soy, eggs, fish, shellfish, wheat, corn, mustard, and celery that could cause severe allergic reaction. If you have any type of food allergy, please refrain from eating our products.
